INTRODUCTION 2024

Welcome to our Holidays and Excursions brochure for 2024. Thank you for your continued support during 2023, it was lovely to see so many of you. We look forward to seeing many more of you in 2024.

Our 2024 holidays contain a mixture of brand-new tours and some old favourites, which will you choose? The day excursions are a good mix of ideas.

Our online booking system is working well, and we suggest you may wish to use this service to secure your seats. As our phone lines are always busy when our new brochures arrive, booking online at www.southwestcoaches.co.uk will avoid the queues. Talking of online, when you make a booking, you will be asked for a mobile number and email address. The mobile number is for us to contact you in an emergency either prior to or during a Tour. The email address is to enable us to send you any last-minute information or offers. Please be assured your data is important to us and we never share this information without your consent.

Remember we offer a door-to-door pick-up and drop-off service on all our holidays using our fleet of minibuses and friendly drivers. All you need to do is pack your suitcase, attach the coloured label we send you, and leave the rest to us until you arrive at your hotel (or back home too, of course).

Our tour pick-up zones are noted on the map towards the back of the brochure. Most pick-up areas are included in your tour price. However, some areas attract a £25 or £50 surcharge, please ask at the time of booking (for online bookings the charge is added automatically)

Included in your tour price (unless stated) are all the excursions described in the brochure, but of course you don't have to partake, you're welcome to spend the day in the hotel or home resort, just let the driver or courier know. Please bear in mind that these excursions may have to be changed to another suitable alternative if necessary.

If you'd like to bring a mobility scooter or other aid on our tours and day trips, please let us know at the time of booking. This isn't usually a problem, we just need to know for space on our vehicles, particularly the feeder buses. Should you wish to hire a scooter, we recommend Yeovil Shop Mobility – 01935 420889. They will arrange delivery to and from our depot, leaving you with one less thing to worry about. We can then safely load the scooter onto the coach prior to departure.

We would advise you that single rooms for our tours are limited and if you require a single room, then you need to book very early. We can sometimes obtain additional single rooms, but this will have an increased supplement. Please also remember that seats are allocated on a first come, first served basis and if you have a preferred seat you are advised not to delay your booking.

As always, Personal Travel Insurance is not included in the price. We have Passenger Protection Insurance in place should something happen to us as a company. We, therefore, advise you to obtain your own insurance to protect you and your possessions.
